

**CENTRAL TEXAS WORKFORCE BOARD
VENDOR APPLICATION**

This application will enable the Central Texas Workforce Board to keep a file on vendors that are interested in potential contracts. The CTWB has various products/services that may be purchased during the year. For products and services that are under \$100,000 we are only required to receive three phone solicited bids. For products/services over \$150,000 in the aggregate, it is necessary for the CTWB to formally procure through a request for proposals (RFP). In order for the CTWB to offer fair and open competition, please complete the following information. This information will be kept on file and notice will be sent to vendors in the database of upcoming bids or RFPs.
